COUNT I

14. Plaintiff hereby incorporates by reference all of the allegations contained in paragraphs "1" through "13", inclusive, as though set forth herein at length.

15. By contract, plaintiff was granted the right to distribute the **DeLaHoya/Mayweather** program (this includes all undercard bouts and the entire television broadcast) scheduled for **May 5, 2007** via closed circuit television and via encrypted satellite signal. Said event originated via satellite uplink and was subsequently re-transmitted to cable systems and satellite companies via

satellite signal (hereinafter referred to as the “Program”).

16. Pursuant to the contract, plaintiff entered into subsequent agreements with various entities in the State of New York, allowing them to publicly exhibit the Program to their patrons.

17. Plaintiff expended substantial monies in consideration of the aforementioned agreement to transmit the Program to those entities in the State of New York, which in turn, entered into agreements with plaintiff to exhibit the Program to their patrons.

18. Upon information and belief, with full knowledge that the Program was not to be received and exhibited by entities unauthorized to do so, the defendants and/or their agents, servants, workmen or employees unlawfully intercepted, received and/or de-scrambled said satellite signal and did exhibit the Program at the above-captioned addresses at the time of its transmission willfully and for purposes of direct or indirect commercial advantage or private financial gain.

19. Upon information and belief, the defendants and/or their agents, servants, workmen and employees used an illegal satellite receiver, intercepted plaintiff’s signal and/or used a device to intercept plaintiff’s broadcast which originated via satellite uplink and then re-transmitted via satellite or microwave signal to various cable and satellite systems. There are multiple illegal methods of accessing programing. Splicing an additional coaxial cable line or redirecting a wireless signal, from an adjacent residence, into a business establishment, commercial misuse of cable or satellite by registering same as a residence when it is in fact, a business or taking a lawfully obtained box or satellite receiver from a private residence and into a business. Each of these methods would allow Defendants to access programming unlawfully. * In addition, emerging technologies, such as broadband or internet broadcast as well as “slingbox” technology, which allows a consumer to literally sling programing from their personal home cable or satellite systems and into their

computers, can allow commercial misuse of residential broadcasting feeds through the internet from anywhere in the world. While Plaintiff is unable to determine the manner in which Defendants obtained the programing, it is logical to conclude that Defendants must have either used an illegal satellite receiver, misrepresented their business establishment as a residence or engaged in “mirroring” by taking a legitimate receiver from their home to their business establishment in order to intercept Plaintiff’s broadcast.

20. 47 U.S.C. §605 (a) prohibits the unauthorized reception and publication or use of communications such as the transmission for which plaintiff had the distribution rights thereto.

21. By reason of the aforementioned conduct, the aforementioned defendants willfully violated 47 U.S.C. §605 (a).

22. By reason of the aforementioned defendants’ violation of 47 U.S.C. §605 (a), plaintiff has a private right of action pursuant to 47 U.S.C. §605.

23. As a result of the aforementioned defendants’ willful violation of 47 U.S.C. §605 (a), plaintiff is entitled to damages in the discretion of this Court, under 47 U.S.C. §605 (e)(3)(C)(i)(II) and (ii) of up to \$110,000.00 as to each defendant.

24. Pursuant to 47 U.S.C. §605, plaintiff is also entitled to an award of full costs, interest and reasonable attorney’s fees.

COUNT II

25. Plaintiff hereby incorporates paragraphs “1” through “24”, inclusive, as though fully set forth herein.

26. Upon information and belief, defendants and/or their agents, servants, workmen or

employees, and each of them knowingly, modified a device or utilized equipment, knowing or having reason to know that the device or equipment is used primarily in the assistance of the unauthorized decryption of satellite cable programming, or direct-to-home satellite services, or is intended for any other prohibited activity.

27. 47 U.S.C. §605 (e)(4) prohibits the modification or utilization of a device or equipment knowing or having reason to know that it is used primarily in the assistance of the unauthorized decryption of satellite cable programming or direct-to-home satellite services, such as the transmission for which plaintiff had the distribution rights thereto, or is intended for any other activity prohibited under 47 U.S.C. §605 (a) .

28. By reason of the aforementioned conduct, each of the aforementioned defendant's violation of 47 U.S.C. §605, plaintiff has a private right of action pursuant to 47 U.S.C. §605.

29. As a result of the aforementioned defendants' violation of 47 U.S.C. §605 (e)(4), plaintiff is entitled to damages in the discretion of this Court, under 47 U.S.C. §605 (e)(3)(C)(i)(II) of up to \$100,000.00 as to each defendant.

30. Pursuant to 47 U.S.C. §605, plaintiff is also entitled to an award of full costs, interest and reasonable attorney's fees.

COUNT III

31. Plaintiff hereby incorporates paragraphs "1" through "30", inclusive, as though fully set forth herein at length.

32. Upon information and belief, with full knowledge that the Program was not to be received and exhibited by entities unauthorized to do so, the defendants and/or their agents, servants,

workmen or employees did exhibit the Program at the above-captioned addresses at the time of its transmission willfully and for purposes of direct or indirect commercial advantage or private financial gain.

33. 47 U.S.C. §553 prohibits the unauthorized reception, interception and exhibition of any communications service offered over a cable system such as the transmission for which plaintiff had the distribution rights thereto.

34. Upon information and belief, the defendants individually, willfully and illegally intercepted said Program when it was distributed and shown by cable television systems.

35. By reason of the aforementioned conduct, all of the aforementioned defendants willfully violated 47 U.S.C. §553, thereby giving rise to a private right of action.

36. As a result of the aforementioned defendants' violation of 47 U.S.C. §553, plaintiff is entitled to damages in an amount in the discretion of this Court, of up to \$60,000.00, plus the recovery of full costs, interest and reasonable attorney's fees.

WHEREFORE, the plaintiff requests that judgment be entered in its favor and against each of the aforementioned defendants granting to plaintiff the following:

(a) Declare that defendant's unauthorized exhibition of the **May 5, 2007 DeLaHoya/Mayweather Program**, violated the Federal Communications Act and that such violations were committed willfully and for purposes of defendants' direct or indirect commercial advantage or for private financial gain.

(c) On the second cause of action, statutory penalties in an amount in the discretion of this Court, of up to \$100,000.00 as to each defendant for their violation of 47 U.S.C. §605 (e)(4);

(d) On the third cause of action, statutory penalties in an amount in the discretion of this Court, of up to \$60,000.00 as to each defendant for their violation of 47 U.S.C. §553;

(e) Attorney's fees, interest, costs of suit as to each defendant pursuant to 47 U. S. C. § 605 (e) (3) (B) (iii) and §553 (c) (2)(C), together with such other and further relief as this Court may deem just and proper.
